

ANGLICAN DIOCESE OF WANGARATTA
PAROCHIAL DISTRICT OF WANGARATTA WEST & THE WARBYLS
17TH SUNDAY AFTER PENTECOST—OCTOBER 2ND 2022

What is a Patronal Festival?

A Patronal Festival is the celebration of the Saint's Day who is the Patron Saint of a particular place. In this parish the Patronal dates are: for St Michael 29th September, for St Gorge it is April 23rd (*unless it falls in Holy Week or Easter Week*) and for St Paul we have a couple of dates we can choose from either: the Feast of the Conversion of St Paul on 25th January OR the joint feast for SS Peter and Paul which is observed in both the Eastern and Western churches on the 29th June.

The Sunday closest to the actual day is often chosen for the celebration for the obvious reason that more people come to church on Sunday compared to other days of the week. So this Sunday we are Celebrating St Michael and All Angels.

Peace and Joy
Neil Hicks.

Michael, Gabriel and Raphael are the three named biblical angels, depicted as the beloved messengers of God.

Michael, which means 'who is like God?', is described as protector of Israel and leader of the armies of God and is perhaps best known for his victory over the dragon, which is told in the Revelation to John. He is thus regarded as the protector of Christians from the devil, particularly those at the hour of death.

Gabriel, which means 'the strength of God', is the one who, in the Gospel according to Luke, is sent by God to Mary to announce the birth of Christ.

Raphael, which means 'the healing of God', is depicted in the Book of Tobit as the one who restores sight to Tobit's eyes.

A basilica near Rome was dedicated in the fifth century in honour of Michael on 30th September, beginning with celebrations on the eve of that day, and 29th September is now kept in honour of Michael throughout the western Church.

Gabriel, Michael, and Raphael are venerated in the Roman Catholic Church with a feast on September 29, and in the Eastern Orthodox Church on November 8 (Julian calendar/November 21 Gregorian calendar). The named archangels in Islam are Jibrael, Mikael, Israfil, and Azrael. Jewish literature, such as the Book of Enoch, also mentions Metatron as an archangel, called the "highest of the angels", though the acceptance of this angel is not canonical in all branches of the faith.

Some branches of the faiths mentioned have identified a group of seven Archangels, but the named angels vary, depending on the source. Gabriel, Michael, and Raphael are always mentioned; the other archangels vary, but most commonly include Uriel, who is mentioned in 2 Esdras.
